

Town Centre Development
United Reformed Church, Street

Client: URC Street.

Permission 2008. Phase One complete 2009

This project involves internal remodelling to improve the existing facilities & a new Hall, flats, high-street shop-front and offices. Pictured above is the Manse and Church on the high street; at the top is a section through the Church hall with flats set behind; the street scene is shown below that; and to the left are the flats on Back Lane in a style sympathetic to the surrounding buildings.
